1987 Title Index Volume 18

Acquiring and Using Power Effectively (Willey) January/February 25-28

Administrative Angles: Annual Reports—Amulets for Administrators (Wise) March/April 69-70; Environmental Management: Creating a Learning Ambiance (Wise) January/February 29-30; The Focus Group Or Let's Give Them What They Want (Wise) July/August 137-138; The Research Responsibility: Spreading the Word (Wise) May/June 105

The Affective Domain—Equal Opportunity in Nursing Education? (Rinne) March/April 40-43

Book Reviews: January/February 35-36; March/April 71; May/June 106-107; July/August 143-144

Building a Future: Power and Influence in Continuing Education (Editorial) (Kuramoto) January/February 3

Business Ethics: Implications for Continuing Education/Staff Development Practice (Pearson) January/February 20-24

Changing Nursing Practice Through Continuing Education in Physical Assessment: Perceived Barriers to Implementation (Brown et al.) July/August 111-115

Characteristics of RN Students Continuing Their Education in a BS Program (Fotos) July/August 118-122

Community Education Program Possible Through Multi-Hospital Cooperation (Tickfer et al.) May/June 80-82

Computer Ease: Using Computers in Administering a Continuing Education Program (Hoover & Gillmore) July/August 141-142; Using High Tech Tools to Create Microcomputer Software (Tymchysin) May/June 101-102

Continuing Education Approval Program: Interrater Reliability (Moran & Wilk) March/April 44-46

Does Continuing Nursing Education Make A Difference? (Farley) November/December 184-187

Economics, Productivity and Effectiveness (Jazwiec) January/February 8-14

Editorial: Effects of Continuing Education: Where's the Proof? (Abruzzese) November/December 183

Effecting Change in a Community Hospital: Implications for Staff Development (Lawler) March/April 59-63

Effective Instruction in Continuing Nursing Education (Wake) November/December 188-192

Evaluation of a Clinical Preceptor Program for New Graduates—Eight Years Later (McGrath & Princeton) July/August 133-135

Expanding the Concept of Continuing Education Conferences: The Conference Participants as a Delphi Method Sample (Riesch et al.) March/April 54-58

A Focus on Cancer: Development of a Course on Prevention and Early Detection (Burdman et al.) May/June 93-96

Goal-Attainment Scaling: A Method of Evaluation and Applying Goal-Attainment Scaling to Nursing Continuing Education Courses (Daley) November/December 200-208

A Hospital-Wide AIDS Education Program (Hartnett) March/April 64-67

Impact of Continuing Education on Nursing Practice and Quality of Patient Care (Meservy & Monson) November/December 214-220

Impact of Mandatory Continuing Education: A Review of Research on Nurses' Attitudes and Perceived Outcomes (Hutton) November/December 209-213

In Search of the Impact of Continuing Education (Warmuth) January/February 4-7

The Influence of An Oncology Nursing Continuing Education Program on Nursing Practice (Nielsen & Miaskowski) November/December 193-199

An Innovative Strategy to Facilitate Nurse-Physician Interaction (Ziegfeld & Jones) March/April 47-50

Integrating a Critical Care Internship with a Career Ladder (Collins & Moyer) March/April 51-53

Learning Needs are Dynamic: The Value of Repeated Assessment (Bowman & Wolkenheim) July/August 116-117

A Model for Situational Patient Teaching (Pavlish) September/October 163-167

New Technology for Educating Nurses (Nierenberg) January/February 17-20

Night Owl Inservice: At Your Own Pace, In Your Own Place (Djupe) September/October 154-156

Notes on CE: Business Success (Boyer) July/August 140

Nursing Diagnosis and Process Evaluation: Implications for Continuing Education (Brown et al) September/October 172-177

Nursing Management Practice Outcomes from a One-Day Continuing Education Offering (Hedman & Miller) September/October 147-153

Portfolio: An Alternative for Returning RNs (Wessels) May/June 97-100

Refinement of Nursing Diagnosis Skills: The Effect of Clinical Nurse Specialist Teaching and Consultation (Dittman & Gould) September/October 157-159

Research Abstracts: The Cervero Model (Abrussese) January/February 33-34; Locus of Control and Participation in Continuing Nursing Education, University of Oklahoma, 1986 (Dolphin) May/June 108

Resusci Annie Proves Safe (Valadez & Garcia) September/October 160-162

Staff Development: Practice Ethics (Tribulski) January/February 15-16

Staff Development: Your Role in Patient Care (Smeltzer) May/June 75-79

Teaching Tips: Clip Art (Gustafson) July/August 139; Get
